

Junior & Grass Roots Golf

Coaching available for all girls at Kenilworth plus a new venue this year, Shirley. Dates are Saturday 25 March, Saturday 1, 8 and 22 April 2006.

Watch your club notice boards for other events as more are being planned. There will be competitions for all of you, for those just starting golf to those playing in the county teams. Don't forget your club competition results count towards the **Junior Order of Merit 2006** provided your club has joined in, so ask your junior organiser for more details.

If you play in competitions outside Warwickshire do tell us about them as they can earn you points too.

The Warwickshire web site, www.warksgolf.co.uk is the place to visit to see what is happening around the county.

To try the Skills Challenge run by EGU/ELGA go to www.getintogolf.org
