

Rules of the Scheme

Please read carefully below the rules of the County Card Scheme. They can also be found on the reverse of each Card.

Enforcement of the rules listed below is at the sole discretion of each individual Golf Club:

- The Card may only be accepted once per Club in any one Affiliation year.
- The Card is non-transferable and for the sole use of the signatory.
- The Card must only be used by a current member of a Club affiliated to WUGC and must be completed and signed by the cardholder before use.
- To avoid disappointment, all cardholders **MUST** contact the Club they wish to visit prior to arrival, and tee times booked in advance wherever possible.
- All players **MUST** adhere to each individual Clubs guidelines relating to etiquette, dress code and local rules.
- This Card may not be accepted for groups larger than four.
- Any misuse of the Card will be reported directly to the cardholder's home Club.
- The 2012 Card is valid from 01/01/12 and expires on 31/03/13.

Prior to using the Card, you must validate it by completing the 3 signature strips as shown above. This includes completing your "CDH Number".

"CDH" stands for Central Database of Handicaps where each golfer that holds a CONGU handicap is given a unique 10 digit number, which relates to a golfer's CONGU handicap and is unique to each person. If your Club has uploaded to CDH and you don't know your number your Club should be able to provide this information to you. However, please just leave blank if your Club hasn't yet uploaded to the National CDH system.

We hope you enjoy using your County Card.
