Hole-in-One Awards, sponsored by Lime Garages, for ladies recording an ace between 1 April - 31 October 2007 in an official club or county competition in Warwickshire, will run again this year. Details available in February 2007.

In the event that a competition is oversubscribed, there will be a ballot.
No refunds will be given after the closing date except in exceptional circumstances.

**Half price entry fees apply to members under 23 yrs of age
on the day of the competition.**

Qualification of entry will be based on playing handicap at date of entry. However, all competitors will play off their current playing handicap on the day of competition. This does not apply if there is an official handicap limit.

All singles stroke play and stableford competitions are qualifying competitions and therefore will count for decrease/increase in handicap unless the CSS determines reduction only.
